

CONSTRUCTION SEQUENCING

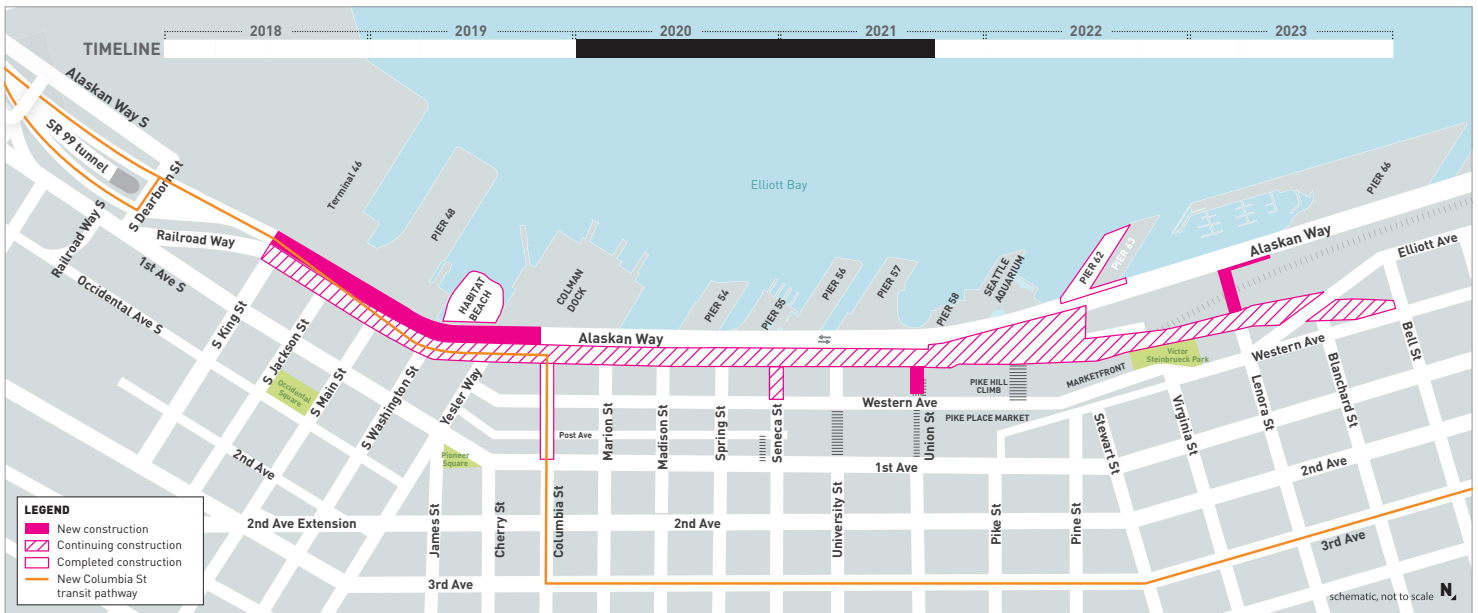

The Waterfront Program is starting construction! Over the next several years we will build different elements of the program, from the stadiums to Belltown. Please note that there are other projects under construction in the area; the maps below only show Waterfront projects to make it clear when and where we will be working. Dates are subject to change.

A COLUMBIA ST AND ALASKAN WAY ROADWAY CONSTRUCTION BEGINS; PIER 62 COMPLETED

Over the rest of 2019 we'll wrap up work on Pier 62, start work on Columbia Street and start building the new Alaskan Way in the footprint of the viaduct.

B UNION ST PEDESTRIAN IMPROVEMENTS BEGIN; COLUMBIA ST COMPLETED

By early 2020 we will complete Columbia Street, and begin work on Union and Lenora streets. We will continue building the new Alaskan Way through spring 2021.

C BEGIN PARK PROMENADE, OVERLOOK WALK, EAST/WEST PEDESTRIAN IMPROVEMENTS; NEW ALASKAN WAY OPEN TO TRAFFIC

In late 2021 we will complete Union Street, the new Alaskan Way and switch traffic over to the new roadway. Also in late 2021, we will start work on the park promenade, Overlook Walk, Pier 58, Marion Street bridge, and improving Pioneer Square streets, Pike/Pine and Bell Street.

D COMPLETE OVERLOOK WALK AND PARK PROMENADE; BELL STREET, PIONEER SQUARE, PIKE AND PINE COMPLETED

By the end of 2023 all waterfront construction will be complete.
