

# SENECA ST CLOSURE BEGINS AS EARLY AS MARCH 16

## TRANSFORMATION TO ONE-WAY STREET WITH ELECTRIC VEHICLE CHARGING STATIONS TO FOLLOW

Starting as early as March 16, Seneca St between Alaskan Way and Western Ave will be closed to all vehicles for reconstruction of the roadway. The work will include removal of the existing roadway, preparations for paving and pouring concrete, and may cause noise and minor vibration in the area. The closure is expected to be complete in late May.

Once complete, Seneca St will be transformed into a one-way eastbound, curbside and more pedestrian-friendly street. The improvements will feature plenty of walkable space and new electric vehicle charging stations.
