

**REBUILT LENORA STREET BRIDGE**  
to comply with ADA and to provide at-grade connection to public elevator at Lenora St

**NEW ELEVATOR**  
Near the Overlook Walk from the new Aquarium roof to the waterfront promenade

**NEW ELEVATOR**  
at Union St, from Western Ave to Alaskan Way

**WAYFINDING STRIP**  
to provide a detectable navigation tool along the promenade

**REBUILT PIER 58**  
with at-grade connections to the promenade, Pier 57 and the Aquarium

- ACCESSIBILITY IMPROVEMENTS**
- TWO NEW PUBLIC ELEVATORS** and improved street connections to many existing public elevators
  - DIRECTIONAL CURB RAMPS** at every pedestrian crossing on Alaskan Way, with ADA-compliant detectable warning plates
  - ACCESSIBLE PEDESTRIAN SIGNALS (APS)** at every signalized intersection on Alaskan Way
  - CONTROLLED BICYCLE AND PEDESTRIAN MOVEMENTS** along bike path and park promenade
  - RAISED INTERSECTIONS** to prioritize pedestrians at crossings
  - WAYFINDING STRIP** to provide a detectable north-south navigation tool on the promenade, with gaps at crosswalks
  - SEE-THROUGH MESH** at railings on promenade for pedestrians at all heights to see views
  - ADA PARKING AND ACCESSIBLE LOADING** on Alaskan Way
  - ACCESS TO SEATING** will be available along the promenade, on Overlook Walk and on Pier 58
  - ACCESSIBLE INTERSECTIONS** designed to prioritize pedestrians, with curb ramps, raised intersections and push buttons at crossings
