PIioneer Square Preservation Board
ARC Meeting

September 27th, 2017
PAVING – BOARD REQUESTED A FOLLOW UP TO DISCUSS THE DETAILS OF THE PAVING IN RELATION TO THE DISTRICT GUIDELINES

- The Board indicated that there is a stockpile of salvaged brick and asked if it could be incorporated into the design.
SDOT YARD SITE VISIT
RECYCLED BRICKS
SUMMARY

Red brick was salvaged from gutters - the narrow edge of the brick was exposed. Majority of bricks were 4” x 8” x 3”, and were worn, but usable. Prep and cleaning would be needed.

The total number of bricks was roughly 7,000 (approx. 1,150 SF)
7,000 BRICKS AVAILABLE

TREES PITS (999 SF; 4,495 BRICKS)
TOTAL: 6,463 BRICKS
