

Hello from Waterfront Seattle,

We are reaching out to let you know about upcoming **overnight work beginning at 7 PM Monday, September 16 and continuing through 6 AM Friday, September 20** to paint new pavement markings in the below areas. This work is weather dependent and may get cancelled due to rain.

When complete, the new markings will change 2nd Ave S to a two-way street between S Main and S Washington streets. This compliments other changes in the area with S Main St becoming one-way, eastbound and S Washington St becoming one-way westbound.

This work may be noisy at times. **No parking will be permitted in the work zones listed below between 6 PM Monday, September 16 and 6 AM Friday, September 20.** Streets will remain open to through traffic during the day.

Work zones include:

- Yesler Way between Western and 1 Ave S
- 2 Ave S between S Washington and S Main streets
- S Washington St between Occidental and 2nd Ave S
- S Main St between Occidental and 2nd Ave S
- 1st Ave S & S Main St intersection
- 1st Ave S & S Washington St intersection

Vehicles parked in the above work zones must be moved by 6 PM Monday, September 16. Access to street parking in the above areas will be restored at 6 AM, Friday September 20. We will be monitoring our construction hotline (206) 499-8040 during this work.

Please let us know if you have any questions.

Thank you,

Waterfront Seattle team

City of Seattle
