Edgewater  
Seattle Art Museum

## Explore the new waterfront

### By pathways

Walk or roll straight into the celebration! Skip traffic and make use of various pedestrian connections and bridges connecting Waterfront Park to downtown, including Overlook Walk, the Marion Street Pedestrian Bridge, the Union Street Pedestrian Bridge, the Lenora Street Pedestrian Bridge or the Bell Street Pedestrian Bridge, all of which include elevators for accessibility.

### By bicycle

Bike directly to the event! The waterfront's new protected bike lane is part of a connected network from West Seattle to Magnolia. Additional protected routes link to other neighborhoods like Belltown, Uptown, and Capitol Hill. Bike racks are available throughout Waterfront Park.

### By transit

Arrive car-free and step right into the celebration. RapidRide C and H lines stop at Alaskan Way and Columbia Street. Light rail stations at Stadium, Pioneer Square, Symphony, and Westlake are all a short walk or roll to Waterfront Park. Additional downtown transit hubs can be found between 10-15 minutes away.

### By car

Park nearby and join the festivities. Garages close to Waterfront Park offer hourly and daily rates. Limited street parking is available on Alaskan Way and adjacent streets. Plan ahead for heavier traffic during the Grand Opening Celebration.

### Free Waterfront Park Shuttle

Catch a free ride to the Grand Opening Celebration. The shuttle runs from 10 a.m. to 9 p.m. between Pier 62, Spring Street, and Pioneer Square Habitat Beach, with accessible service to nearby landmarks including the Space Needle and stadiums. It's also an easy way to get around the 20-acre park! Look for blue sandwich boards to find your stop. Visit [wpsea.org/shuttle](http://wpsea.org/shuttle) for a route map and live tracking.
